

TRAILWEST BANK

DEAR CUSTOMER:

2020 has been an unusual year. We appreciate all our Customers and once again, want to thank you for doing business with us. We will be offering a free 8 x 10 portrait. It can be an individual portrait or the entire family, but we request your cooperation in limiting this offer to one per family. It is absolutely free and is available to all our customers.

Appointments will be handled slightly differently this year. When you call to set up an appointment, we will ask you to provide a mobile number. We will have customers wait in their vehicles and call or text you when the photographer is ready. This method will allow us to minimize contact. Please review the schedule below and call for an appointment at a branch near you. All portraits will be taken in the lobby of your preferred location.
